"It is good to be Queen"

Queen Elect Ann Phillips

I have always loved dancing back to my high school days. With raising a family, and then returning to college I didn't have much time to think about dancing. When I graduated from college with degrees in Health Science and Respiratory Therapy I started working at Fresno Community Hospital, and was coordinator of a Pulmonary Rehabilitation program for 17 years. When I retired in 1992 I continued to lead exercises at a gym for some of my patients from the rehab program and did pulmonary functions testing for a pulmonary specialist. I also returned to college to take some fun courses and became a certified personal trainer and took a travel agent course which I did very little with, but have fun.

In 1997 Nancy Palazzo and Kaiser was interested in starting a rehab program so I

lead exercises at a gym for some of my patients from the rehab program and did pulmonary functions testing for a pulmonary specialist. I also returned to college to take some fun courses and became a certified personal trainer and took a travel agent course which I did very little with, but have fun.

In 1997 Nancy Palazzo and Kaiser was interested in starting a rehab program so I went back to work and 10 years later I am still there. Along with my job I enjoy playing some golf, traveling, spending time at the beach and time with my family. Some of my favorite travels have taken me to Africa, Australia, Europe and some cruises.

In 1989 I decided I would like to see if I could dance and started my lessons at Dan Goss studio. I had no idea how much fun I would have, what good friends I would make or where it would take me. After a year of lessons I was told about a group called National Smooth Dancers, I tried their Sunday dances and joined in 1991. I have been active in Fresno's chapter holding office and hosting occasional Sunday dances.

My family included four children, 7 grandchildren and 4 great grandchildren and it has been my good fortune that they are all close and we are able to spend much time together. I look forward to the coming year representing Fresno and meeting many new friends.
